

## Help Make This Our Best Year Yet!

Over the last 10 years, 231 attendees at the NorCal Conference have raised over \$1 million for the Foundation for Financial Planning. Our special thanks to the attendees who have raised their hands in support of FFP for 10 consecutive years (indicated with 10★). Please note that the list below (continued from page 1) represents donors who have pledged their support through the conference over the years—not all of the many generous donors and members from the Northern California region.\*
